Welcome

This past year has seen CSJO grow in a number of ways. We've expanded our web page (www.csjo.org). Our annual Memorial Day weekend conference was again a success. We published a book on the Jewish holidays. Our Executive Director has traveled over the United States and Canada, meeting with potential affiliate groups. Our newsletter is now available both on our web page and in print.

All these things would not be possible without continuous support of our associate members. In addition to your membership, there are a few funds which you may also wish to support:

- The Max Rosenfeld Publications Fund helps us to continue publishing secular Jewish material.
- The Harold Gales Community Development Fund is used to help establish new affiliate groups.
- The Gerry Revzin Scholarship Fund assists our members in furthering their Jewish education.
- The Teen/Young Adult Fund helps our young members in undertaking programs or activities where they can meet and socialize.
- The Archive Fund helps to preserve the history of our organization and allows it's members to make use of its wonderful resources.

We thank you for your interest and support and look forward to having you with us in 2007.

Shalom - PEACE
